SAFETY FIRST

Our employees have noticed that lots of kids like to ride bikes and e-scooters through the back parking lot of the Thatcher Town Hall. We have had several close calls between the kids and cars. The kids are taking risks by darting behind moving cars, not paying attention to moving cars, and riding at high rates of speed.

PLEASE warn your children about the risks of riding bikes and scooters around moving cars, and make sure they wear helmets.

We do not want accidents to happen!

If you have questions or concerns, please contact us here at the Thatcher Town Hall at 928-428-2290.
